2018 National Conference and Engineering Week
Intare Convention Arena, 19th -25th August 2018

CALL FOR PAPERS

Institution of Engineers Rwanda in collaboration with the Ministry of Infrastructure is organizing the 2018 Engineering Week and National Conference to be held from 19th to 25th August 2018. The National Conference will be organized with linkages of Eastern African Federation of Engineering Organizations (EAFEO) and Federation of Africa Engineering Organizations (FAEO).

The main objective of the National conference is to discuss and to identify implementable infrastructure projects and those in pipeline and the role of practioners in the engineering sector to actively participate in the implementation of those projects, thus supporting rapid economic transformation, enhancing employment creation and inspiring actions towards a positive change. The Conference will run alongside the engineering week and will be held at the Intare Convention Arena (ICA) in Kigali.

The event will feature comprehensive technical programs and speakers will be drawn from various policy making Institutions, academia, built environment, ICT and Industry and it will be a platform to bridge gaps between policy makers, sectors, disciplines, practitioners and researchers. The organizing Committee of the National Conference invites you to submit the abstract of your original paper on the under listed topics. If your abstract is accepted then you will be invited to submit a full paper. For abstract and full paper submission, please use the following email: info@engineersrwanda.rw
