Kigali, 2nd November 2016

Request for Expression of Interest of Service Providers for training and Capacity Building to support Institution of Engineers Rwanda (IER).

The Institution of Engineers Rwanda (IER) started in 2008 as a learned society of engineering professionals. In June 2012, law No. 26/2012 of 29th June 2012 was established and enacted by the Parliament empowering IER to regulate and harmonize engineering services and activities in Rwanda. The overall mission of IER therefore, is to advance, promote, and develop engineering profession by providing strategic leadership and a platform where engineers can pursue social, business, professional and career development.

In order to achieve its vision and roles, IER wishes to identify potential capacity building service providers (individual, Company, Institution etc) in various fields of engineering to be accredited by IER to offer career development through continuous professional development (CPDs) to Engineers and Technicians who are involved in engineering activities in both public and private sector and civil societies (NGOs).

Interested Service Providers may obtain further information and detailed Terms of Reference at the address below during working hours (8.00 am to 5.00 pm) local time or can visit our website www.engineersrwanda.rw

Well printed and bound Expression of Interest proposals in three copies, one of which is original sealed in an envelope should reach IER secretariat offices not later than 2nd December 2016 at 10.00 am local time.

For Inquiry and submission purposes, use address below.
