Kigali, 25th/04/2016

Tender for Consultancy Services to supply Accounting software and to train its users

The Institution of Engineers Rwanda (IER) was established by the law N° 26/2012 of 29/06/2012 governing the engineering profession in Rwanda, mainly to regulate and supervise the practice of engineering profession, and to advise Government in relation thereto.

Our mandate is to regulate and supervise the practice of engineering professionals who constitute the highly skilled manpower of the country.

Considering its operations, administrative procedures and recommended best practices for a sound financial management and a reliable reporting system, the Institution of Engineers Rwanda has decided to allocate a part of its resources to purchase well tested accounting software and to train IER staff on its application.

Interested Individual consultants may obtain further information and detailed Terms of Reference at the address below during working hours (8.00 am to 5.00pm) local time or can visit our website www.engineersrwanda.rw

Well printed and bound technical and financial proposals each in two copies, one of which is original sealed in separate envelopes should reach IER secretariat office not later than 13th May 2016 at 10 am local time.

For Inquiry and submission purposes, use address below.
