14th January 2019

ANNOUNCEMENT

Call for submission of Application Letters for Internship Program

The Institution of Engineers Rwanda has a responsibility of supporting its members to enhance their technical and professional capacity to enable them become more competent and competitive in delivering professional engineering services at the National, Regional and International level (Strategic Objective No 3).

Its in this regard that IER has worked out a program of mentoring 60 Young professionals in different engineering disciplines for a period of 6 months effective April 2019. IER will fully sponsor and support beneficiaries of this program by providing them subsistence allowances and will select different ongoing Infrastructure Projects in the Country where these young professionals will be deployed.

We do hereby call upon Graduate Engineers in different disciplines, registered with IER and are not being mentored at the moment, to apply for this program as soon as possible in any case not later than 28th February 2019. Applicants should submit the following :

1. Application Letter
2. Registration Certificate issued by IER (Graduate Membership)
3. Photocopy of National ID

Yours Faithfully,

Eng. Kazawadi Papias Dedeki
President, Institution of Engineers Rwanda
