APPLICATION REQUIREMENTS FOR GRADUATE ENGINEERS

All applications are processed through the Membership Digital Portal which can be accessed via this link https://member.engineersrwanda.rw/home

Below are the mandatory application requirements needed to be registered in the category indicated above:

1. All applicants must have below 2 years of experience after graduation
2. A Passport-size photo in PNG or JPG image format
3. A Scanned copy of a National ID or Passport in PNG or JPG image format
4. A Soft copy of a signed Career Statement or CV in PDF format
5. A Scanned copy of a Notarized Degree Certificate (A0) in PNG or JPG Image format.
6. A scanned copy of a Bank pay slip of **non-refundable application fees** of **Rwf 20,000** payable on Account No: 211-131222-1-5118-0 under the names of Institute of Engineers Rwanda in GT Bank (Rwanda) Plc or MoMo pay *182*8*1*003884#.

Note:

1. Degrees from Foreign Countries need an **equivalence certificate** from the **High Education Council (HEC)**
2. After being admitted as a Graduate Engineer; an annual membership fee amounting to **Rwf 20,000** is required; a Membership Certificate is provided thereafter.

Done at Kigali, 12th December, 2023
